The project brief is available in the project brief section.

Minor Building your own Business – General Description – 2026-2027

Explore your entrepreneurial ambitions and work on your own business idea with the help of experienced entrepreneurs and team coaches.

This minor will help you explore your entrepreneurial ambitions and even kickstart your own company, which is especially interesting when you choose to do an entrepreneurship graduation project after this minor.

From start to finish, you will lay out your individual development as an entrepreneur (your Drive). This will be supported with guidance with your coach.

Intended Learning Outcomes

1. The student demonstrates a professional and reflective approach to entrepreneurial practice and personal skill development.
2. The student demonstrates the ability to generate, interpret, and apply relevant insights to identify and assess potential business directions.
3. The student demonstrates the ability to design and critically evaluate business model scenarios, using evidence and KPIs to validate them.
4. The student demonstrates the ability to assess the developed business case in terms of viability, desirability, feasibility, and social responsibility
